April 3, 2017

The Joint IDA of Wythe County organizes an annual golf event to acknowledge the importance of industry in our community. **This year our Industry Appreciation Day has been set for Thursday, May 18, 2017.** The event will include a golf tournament during the afternoon followed by a reception in the evening and will be held at the Wytheville Golf Club. This well-received event provides a relaxing afternoon of golf and fellowship in recognition of our local industries.

We are requesting that your organization consider being a sponsor for the Industry Appreciation Golf Tournament activities. Being a sponsor provides your organization with an opportunity to participate in our salute to local industry. There are two levels of sponsorship from which to choose:

- **Reception Sponsor** - A contribution of \$100 or more will assist with the costs of the reception. A sign acknowledging reception sponsors will be displayed at the event.
- **Hole Sponsor** - A contribution of \$50 or more will assist with the costs of the golf tournament. A sign will be displayed at the hole that you sponsor with your company name and logo.

Your consideration of this request is greatly appreciated. Please contact our office at (276) 223-3370 or office@wytheida.org if you have any questions. Thank you for your support.

Sincerely,

David Manley
Executive Director
